INSERTS

Inserts must be furnished printed, ready for binding. Multiple leaf inserts must be furnished folded. Die cuts within the body of the insert must be limited so as not to affect stiffness of the page and in no way adversely affect material on the adjacent page. Carton packing preferred with quantity and publication clearly indicated. Each insert page counts 1× toward earned page rate. Inserts are billed per page, i.e., single leaf insert = 2× b/w rate, 4-page insert = 4× b/w rate. Demographic and geographic lists as well as BRCs are accepted. Mechanical charges for special run inserts are non-commissionable.

GENERAL INFORMATION

Le Jacq guarantees uniform rates and discounts to all advertisers using same amount and kind of space. No exceptions to published rates.

Only insertions of a parent company and subsidiaries are combined to determine the earned rate.

After firm space commitment has been made, extensions will be given for reproduction materials. If ad copy is not provided by closing date, Le Jacq reserves the right to repeat a former ad.

Cancellations must be received in writing by space closing deadline.

If space is cancelled after deadline or ad materials are received too late, the advertiser will be charged for the insertion.

EDITORIAL DESCRIPTION

Preventive Cardiology[™] was launched in response to the exponential growth of knowledge in the prevention of cardiovascular disease. Advances at both the basic and clinical levels have been extensive and continue to evolve rapidly. This peer-reviewed journal provides a unique forum for the research of investigators and clinicians covering the many diverse but related disciplines that contribute to the prevention of heart and vascular disease.
